RE: GENERAL PLAN UPDATE COMMUNITY MEETINGS

Dear Stakeholder:

Please find enclosed a copy of the schedule of community meetings which the San Bernardino County Land Use Services Department is conducting as part of the update to the County's General Plan. The purpose of these meetings is to solicit input as we begin this exciting and challenging three-year process. Feel free to choose the meeting location which is most convenient for you. Although there are multiple meeting sites, the same topics will be covered at every meeting.

These meetings are open to the public. Our purpose is to receive input relative to the General Plan policies which express the goals of each community relative to new development.

There's no need to sign-up in advance of the meeting-- just bring your ideas and a willingness to share those ideas with us!

We look forward to meeting you!

Sincerely,

A handwritten signature in black ink that reads "David Prusch".
